Time Constraints:

The 2020 Redmond Zoning and Municipal Code Annual Code Cleanup includes one amendment to the City's Accessory Dwelling Unit regulations per Engrossed Substitute Senate Bill 6617. This State law requires that, by July 1, 2021, any city within a county planning under the GMA must adopt or amend ordinances, regulations, or other official controls that do not require the provision of off-street parking for ADUs within one-quarter of a mile from a major transit stop.

Beginning July 1, 2021, the new Accessory Dwelling Units requirements, per Engrossed Substitute Senate Bill 6617 (as set forth in RCW 36.70A.697) apply and take effect in any GMA city that has not adopted or amended such regulations and supersede, preempt, and invalidate any conflicting local development regulations.
