

COUNCIL STUDY SESSION

# Community Strategic Plan Update

December 10, 2019

**Maxine Whattam, Chief Operating Officer  
Lisa Maher, Communications & Marketing Manager**

# Purpose

- Community Strategic Plan Update
- Preparing for 2020 & Moving Forward
- Community Survey Briefing

# Community Strategic Plan

## Housing Choices

**Program Vision:**  
A Redmond with a variety of housing choices for all income levels that reflects our community.

## Environmental Sustainability

**Program Vision:**  
A Redmond that creates a healthy, sustainable environment for all generations and conserves our natural resources, affords a high quality of life, and draws from scientific evidence-based data.

## Technology & Information Services (TIS) Infrastructure

**Program Vision:**  
A Redmond that is connected, smart, and future-focused, with highly-engaged users (internal & external) and easily used products.

## Cultural Inclusion

**Program Vision:**  
A Redmond in which all residents can fully and effectively access city services, influence city policy and direction, and feel a sense of belonging and safety.

## Infrastructure

**Program Vision:**  
A Redmond that is safe, multi-modal, smart, green, and has high value for long-term infrastructure investments that support the future needs of Redmond.

# Overview of Community Strategic Plan

- Based on priorities identified by Council
- Includes feedback gathered through Community Involvement
- Provides city work plan
- Advances the city's vision and the outcomes established in the City's long-range plans

# Community Strategic Plan Status

- Adopted at October 15 Business Meeting
- Progress

# Housing Choices

- Received \$100,000 grant from the Department of Commerce for Housing Action Plan
- Groundbreaking for Esterra Park: December 11
- Parking Study in Progress

# Environmental Sustainability

- Environmental Sustainability Audit is underway with Cascadia Consulting
- Stakeholder group convened
- Community Visioning workshop and pop-up events scheduled in November/December

# Technology & Information Services Infrastructure

- SharePoint migration on track to be complete by December 2019
- GIS Day was a success
- Governance structures in place for Dynamics 365, Workforce Management, Enterprise Content Management, and Energov projects

# Cultural Inclusion / Welcoming

- Internal Education Programming: created connection through Lunch and Learn
- Developed an implementation plan for delivering city communications in appropriate foreign languages
- Trained city staff on the value of welcoming
