**Time Constraints:**

There is currently a vacancy on the CFD 2016-01 Board of Supervisors due to the resignation of former Redmond City Councilmember Osman Salahuddin. The appointment of another Redmond City Councilmember to the CFD 2016-01 Board of Supervisors to fill this vacancy should be completed as soon as possible to ensure a full quorum of the Board of Supervisors.

**ANTICIPATED RESULT IF NOT APPROVED:**

If the appointment is not approved, the CFD will still be able to function. However, only having two City of Redmond Councilmembers appointed to the CFD will be in violation of the foundational documents. If the reappointment is not approved, Microsoft will need to propose another representative for appointment.
