

## CITY OF REDMOND

# PROPOSED 2025 FIRE, PARK, SCHOOL, AND TRANSPORTATION IMPACT FEE SCHEDULES

The City’s municipal code authorizes the Council to update the rates annually to keep pace with inflation.

The 2025 City impact fee rate increases are based on a three-year moving average change from 2022 to 2024 in the indexes specified in [RMC 3.10](#) — from August to August or the closest three consecutive 12-month time periods immediately prior to January 1, 2025.

1. Source: ITE Trip Generation Manual, 11th Edition. Vehicle trip rates for weekday, peak hour of adjacent street traffic (4-6pm).
2. A pass-by trip is any trip that may go to a land use but is part of a larger overall "trip tour." The defining feature of the pass-by trip is that it is an interim stop that did not initiate the overall need to travel.
3. Vehicle-to-person trip generation rate factors were developed from the 2017-2019 Puget Sound Regional Council Household Travel Survey.
4. Per House Bill 1337, impact fees for ADUs are limited to no more than 50% of the single-family rate.
5. Middle housing land use category is an average of ITE code #215 (single family attached/duplex) and #220 (1-3 Story Multi-Family/Townhome/ADU). This category includes all forms of multi-family housing not otherwise listed in the table above.
6. Per RCW 82.02.060 (4)(b), Redmond may exempt qualifying Day Care Centers and other "early learning facilities" as defined by state law, from transportation impact fees.
7. *This table is a representative list of common land uses in Redmond. City staff may choose a different land use code from the ITE Trip Generation Manual 11th Edition, or other site-specific trip generation data if the applicant's proposed land use does not fit within this list.*
