TENTATIVE TIMELINE

Redmond 2050 Phasing, Tentative Timeline

COMMUNITY INVOLVEMENT OBJECTIVES

Create awareness & identify stakeholders

Solicit feedback on analysis and alternatives

Engage historically underrepresented groups, both culturally and demographically

Ensure community concerns and interests are considered & build consensus for identified priorities

Sustain on-going support

RISKS & CHALLENGES

Inclusive outreach

Diversity of participation represents diversity of community

Public confusion and/or lack of general growth management knowledge

Participation fatigue

COVID-19 impacts

PHASE ONE COMMUNITY INVOLVEMENT SUMMARY

Phase One Stages	Engagement Purpose	Primary Tools/Methods	Lead	Tentative Timeline
Kickoff	Build awareness and invite participation	Press releases & social media, outreach to key stakeholders and partner agencies	City Staff	2Q2020-3Q2020
Community Visioning & Land Use Scenarios	Update and refine community's preferred form as an urban city	In-person and online tools, Advisory Committee, community meetings	Consultant with Staff Support	3Q2020-3Q2022
Plan, Policy & Code Updates	Vision Implementation	In-person and online tools, Advisory Committee, community meetings	City Staff	4Q2020-4Q2022
Adoption	Finalize and adopt plan, policies, and code updates	Commission meetings, public hearing(s), Council action	City Staff	2Q2022-4Q2022

OUTREACH METHODS

- **Combine traditional with new/innovative approaches**
 - Opportunities online and in-person
 - Multiple languages
 - Reaching people where they are, through trusted resources
- **Plan provides community involvement by task**
 - Identifies questions to ask community
 - Identifies deliverables (how those answers will be used)
- **Staff is creating an outreach spreadsheet to reach those interested and minimize fatigue**
