OUTCOMES:

Key highlights from the Quarterly Overtime Report include the following:

- Fire department Regular and Overtime salaries combined are 23.7% spent of budget relative to a 25% target

through the second quarter of 2025.

- Overtime costs are 36.9% spent of budget for a total of \$3.1 million, which is 11.9%, or \$1.02 million above target. Regular Salary savings due to vacancies contributes \$1.87 million to offset the total overtime costs.
- Firefighter recruits are paid while attending the Fire Academy, and since they are not yet working on the line, overtime by other staff is required to meet daily staffing levels. This year's academy has seen slightly higher than normal level of attrition due to unforeseen circumstances.
- An increase in mandatory overtime caused by employees on family leave, medical leaves, and extended modified leaves. While the staff on medical leave continues to support department work, their unavailability for line service increases overtime costs.
- Fire Wildland overtime totals \$110 thousand due to a deployment to the California Wildfires. The overtime is fully reimbursable by regional agencies.
