THEREFORE, the Parties above have reached the following understanding:

SECTION 1. Purpose of the Eastrail Regional Advisory Council (RAC):

The purposes of the RAC are consistent with the owner and easement holder uses and plans for the corridor, (1) to set and advance the multiple use vision of the Eastrail, as initially set forth in the RAC's Creating Connections report, which emphasized the transportation mobility, utility, recreational and equity benefits of the corridor and (2) to support the implementation of the Eastrail Regional Trail as identified in the King County Trail Master Plan and in corresponding plans developed by certain RAC member jurisdictions. The RAC will also serve as a venue for coordinating efforts of member jurisdictions to advance common goals such as: advocating for the funding and implementation of Trail Master Plan improvements and collaborating to develop a brand identity for the corridor, compatible with existing identities in several RAC member jurisdictions.

The RAC will serve as a venue to jointly:

- Coordinate the planning, development, public engagement, and communications and marketing activities to the extent possible to ensure effective use of the railbanked portion of the corridor.
- Coordinate the partner planning process for the trail, high-capacity transit, and utility uses in the Eastrail.
- Coordinate with affected cities around local planning and development.
- Address both near-term and long-term recommendations.
- Recommend any needed changes to the county's countywide planning policies relative to the corridor.
- Coordinate on funding capital projects and potentially operations.
- Develop legislative agendas and lobbying as it pertains to Eastrail projects and issues.
- Weigh in on Sound Transit and Metro Long Range Plans as related to the Eastrail.

- Approve a work plan and corresponding budget that sets out the work for the RAC for the year. Members will assign staff to participate in coordination and collaboration efforts.

SECTION 2a. RAC Membership:

The RAC membership will be driven by the RAC vision. Members will include owner jurisdictions (King County, City of Kirkland, City of Redmond, Sound Transit, City of Woodinville, and Snohomish County) as well as easement holders (PSE, King County and Sound Transit), and cities directly adjacent to the corridor who hold permitting and land use authority, (City of Bellevue and City of Renton). King County will have four representatives, the King County Executive (or his/her designee), and three members from the County Council. All other parties will have one representative from each party as a member of the RAC.

SECTION 2b. New RAC Membership:

The RAC will add or remove members, membership agencies and jurisdictions based on the following processes:

- Consensus agreement of the current RAC membership.
- Signed letter of interest by all parties acknowledging the change to the membership structure.

SECTION 3. RAC Leadership:

The RAC will have two co-Chairs. One co-Chair will be an elected official from the King County RAC membership, and the other co-Chair will be an elected official from another Eastrail owner jurisdiction. The co-Chair positions will be selected every two (2) years by the ownership jurisdiction members of the RAC. The RAC will operate under a consensus model and will not take votes approving or disapproving any particular item before the RAC. The RAC may establish subcommittees of members and staff as needed to address special and or specific issues related to the work of the RAC.

SECTION 4. RAC Meetings:

The RAC will meet on a quarterly basis. Meetings will take place in a standing time slot mutually agreed upon by the co-Chairs of the RAC, after consultation with other RAC members. The meeting dates for each year will be set in the fourth meeting of the prior year. The RAC meeting frequency can be adjusted by consensus of the Parties.

SECTION 5. RAC Staffing:

The work of the RAC will be supported by a staff group comprised of senior staff from RAC member organizations and invited technical experts, to undertake work addressing the RAC priorities. The staff group will serve as an information sharing venue for

distributing information on completed, current, and anticipated activities that provide tangible outcomes supporting the vision. The staff group will make recommendations on information items that should be placed on the RAC agenda. King County will deploy staff resources specifically to support the RAC operations and actions.

SECTION 6. Property Rights; Jurisdictional Authority.

Nothing herein is intended to limit or affect the Parties' jurisdictional authority over, or their individually-owned property interests in segments of the Eastrail.

SECTION 7. Legal Relations.

This MOU shall not be interpreted or construed to create an association, joint venture, or partnership between the Parties or to impose any partnership obligations or other liability thereon. No party shall have any right, power, or authority to enter into any agreement or undertaking for or on behalf of, to act as, or be an agent or representative of, any other party. This MOU creates no right, privilege, duty, obligation, or cause of action in any person or entity not a party to it. No Party is obligated to participate under this MOU, but to the extent that a Party elects to participate under this MOU then it shall comply with the MOU.

IN WITNESS WHEREOF, the Parties hereto have executed this MOU, effective as of the date first written below.
