**TITLE:**

Adoption of the City of Redmond Safer Streets Action Plan

**OVERVIEW STATEMENT:**

Redmond received USDOT Safe Streets for All (SS4A) funding through an agreement between the City and the Puget Sound Regional Council (PSRC). With this funding, the City is developing a Safer Streets Action Plan based on the Safe System Approach. Establishing a Safer Streets Action Plan is necessary to apply for additional SS4A funding that can be used to fund a wide range of safety activities. The Safer Streets Action Plan develops safety improvement projects throughout the City and facilitates upcoming applications for safety grant funding. The draft Safer Streets Action Plan was published on February 24, 2025, for community review and feedback. Staff presented the final Safer Streets Action Plan that incorporates community feedback to Council Committee of the Whole on April 1, 2025. Staff anticipates Council's final approval of the completed Safer Streets Action Plan at the April 15, 2025, Business Meeting.

## **OUTCOMES:**

The Safer Streets Action Plan is a road map for policies, programs, and projects that will contribute to improved road safety outcomes and elimination of serious and fatal collisions. With this Action Plan, the City of Redmond will be well prepared to apply for funding from safety grant programs.

## **COMMUNITY/STAKEHOLDER OUTREACH AND INVOLVEMENT:**

- **Timeline (previous or planned):**

- 5/11/2024: Community Road Safety Assessment (RSA) walk in Education Hill neighborhood

- 5/22/2024: City Staff RSA walk in Education Hill neighborhood
- 6/5/2024: City Staff RSA Debrief Workshop
- 6/25/2024: City Staff Safety Action Plan Task Force Meeting #1
- 12/3/2024: City Staff Safety Action Plan Task Force Meeting #2
- 2/24/2025: Draft Safer Streets Action Plan published for 2-week community review and feedback period
- **Outreach Methods and Results:**  
Field visits, workshops, and focused task force meetings
- **Feedback Summary:**  
Takeaways from the community RSA included safety concerns around crossing the street, vehicle speeds and sidewalk condition. Staff and the consultant team are incorporating these concerns when developing preliminary safety strategies that will be included in the Safer Streets Action Plan and applicable citywide. General feedback included concerns around vehicle speeds, driver distraction and desire for deployment of safety countermeasures such as right turn on red restrictions, separated bike lanes, and more safe opportunities to cross the street.

**BUDGET IMPACT:**

**Total Cost:**

The funding to develop the consultant agreement and Safer Streets Action Plan came from the agreement the City of Redmond has with the PSRC. Staff working on this project are funded through the adopted Mobility of People & Goods budget offer.

**Time Constraints:**

Project work began when the consultant team came under contract in fall 2023. Community outreach took place in spring 2024 and the Draft Action Plan was developed in summer and fall 2024. It is anticipated that after Council and community review and feedback in Q1 2025, the Final Safer Streets Action Plan will be presented to Council at the April 1, 2025, Committee of the Whole meeting and staff will request it to be moved for approval on the Consent Agenda at the April 15, 2025, Business Meeting.

**ANTICIPATED RESULT IF NOT APPROVED:**

Without a Safer Streets Action Plan, the City will lack a key resource in competing for future safety grant funding and will be ineligible for additional SS4A funding.
