

DOG PARK UPDATE

Overview

The Pop-Up Dog Parks were implemented to meet growing community needs. This amenity was identified in the 2017 and 2022 PARCC Plans, which were prioritized in the 2023-2024 budget. Significant community input was gathered through surveys at Derby Days, questionnaires at Let's Connect page for dog parks, and through staff interactions with community members. For the 2025-2026 budget, a permanent dog park was prioritized. A timeline below outlines the plan.

Timeline

- 2025 Design and Survey for Luke McRedmond Park permanent installation
- 2025 Pop-Up at Luke McRedmond and Hartman Parks to serve community during design phase
- 2026 Install (may be impacted by King County Trunk Line Project).

Permanent Dog Park Amenities

- Double entry style gate area
- Small/Anxious dog area
- Large dog area
- Permanent shade structures
- Enrichment toys
- Multiple Doggi-Pot stations
- Seating options
- Water bowl filling at site
