ect top three.

's. Most of us have to wait a long time in line waiting to play.
an't travel elsewhere. I can walk to the campus in 5 minutes to drive to the Marymoor site takes 40.
40s age-focused city, I think, for the health of the city services need to be integrated so different groups
rior center or hide it within an all ages center. I do not want the Senior Center to be relocated so that w
axes.

enior community to call their own on a daily basis quickly as possible. our community is fading that we
as possible and take this opportunity to innovatively redesign and re-purpose.

rior housing and senior services in one building. It's completely irresponsible for the city not to include I
be considered in the set up of the program rooms.

ENTER IS TO THE SENIORS. I feel that the community center is what the City wants, based on the proffered

to stay informed about the future of Redmond's Senior Center? Please select all that apply.

bytes Cafe

nd he usually has the latest info on all of this.

ublic meeting discussion on January 15, Many seniors cannot or do not drive at night. Having all the mee

ail and other methods.

, I'd like to receive updates by email.

rem. Please be aware the senior center is first and foremost about the people, staff included.

are very poor. i will try to watch on rctv

st it on my blog & send out to FB groups.

lti purpose room. as well as the beautiful wooden ceiling. But mostly I am concerned that we will go from

ews of the plans for the building.

; run into one another rather than building walls between them. FURTHER, the existing senior center location would have to take buses or shuttles to get to it.

worked so hard to create.

housing for seniors in this project. Time & time again I've heard you say you're going to do something at
and selections. Prioritizing space and uses for seniors who currently use the Senior Center

meetings in the evening will prevent many seniors from participating. Why can we not have a mid day mee

turn a warm, welcoming and well-used space to a cold, modern, hardly used space like the RCCMV. After 1

ation is insufficient in size to be much more than a token for anyone. This should be a major hub of activ

hout affordable housing—here's your first opportunity to show you're committed to a diverse, affordabl

ating so that more seniors can provide input regarding this very important issue?

nearly 10 years of class at the RSC, my class was relocated to RCCMV, and I keenly feel the difference. I

ivities for anyone over age 21. Art classes, outings, lots of practical exercise classes (which there weren't

e downtown.

also can't believe the only other place for the yoga class was next to the Zumba class!

enough of to begin with) practical health classes, technology lessons for non-programmers – all kinds of

things can bring people together. (My church used to have those tech classes and follow with a coffee l

your and you'd build community.) Building and serving community should be the priority. There are lots

of outdoor facilities but it's drizzly and gloomy and daylight times are short so this city needs to have a r

much stronger indoor capability for gathering than someplace in the Atlanta or SF sub
