On-Call Transportation Planning & Engineering Services

Attachment C - Option for Renewal

The City intends to enter into an initial two-year agreement, with one (1) optional two-year renewal term, for a potential maximum total term of four (4) years, provided that 1) Consultant is in compliance with the terms and conditions of the contract and, 2) that the annual payment is cost-effective as determined by the City, and 3) that sufficient funds have been appropriated by the City. The City reserves the right to cancel this contract at any time, upon thirty (30) days written notice to Consultant.

Should the City exercise a renewal option, the City and Consultant may discuss any necessary changes to services and will confirm price/rates prior to each renewal. Consultant shall notify the City in writing at least thirty (30) days prior to any proposed annual labor rate adjustment. If rate increases are greater than the Bureau of Labor Statistics Consumer Price Index (CPI-W) for the Seattle-Tacoma-Bellevue area occurring during the immediately preceding 12-month period for which CPI-W data is available, Consultant shall provide written justification for the increase. Justification must include reasons beyond personnel title changes, promotions, etc. and shall include what additional value will be provided with the rate increase. Acceptance of such a request will be at the sole discretion of the City.
