TITLE:

Approval of Instructional Services Agreement, for Snapology, Increasing the Maximum Amount Payable to \$85,000

OVERVIEW STATEMENT:

Seeking Council approval of an increase to the maximum amount payable to Snapology Instructional Services Agreement. Programs and summer camps offered by this organization will exceed our anticipated enrollment amounts due to high community demand and rising costs. Though the expended amount is increasing, revenues earned by the City in the Recreation Activity Fund will also increase as this agreement is based on a percentage split of enrollment/registration fees between the contractor providing the service and the Parks Department.

This agreement will surpass the \$75,000 maximum amount payable threshold requiring Council approval to authorize the Mayor to sign the agreement.
