- A. No employee, officer, or agent may participate in the selection, award, or administration of a contract if he or she has a real or apparent conflict of interest. Such a conflict of interest would arise when the employee, officer, or agent, any member of his or her immediate family, his or her partner, or an organization which employs or is about to employ any of the parties indicated herein, has a financial or other interest in or a tangible personal benefit from a firm considered for a contract. COMMERCE shall be considered the author of such Materials. In the event the Materials are not considered "works for hire" under the U.S. Copyright laws, the Grantee hereby irrevocably assigns all right, title, and interest in all Materials, including all intellectual property rights, moral rights, and rights of publicity to COMMERCE effective from the moment of creation of such Materials.

"Materials" means all items in any format and includes, but is not limited to, data, reports, documents, pamphlets, advertisements, books, magazines, surveys, studies, computer programs, films, tapes, and/or sound reproductions. The Grantee shall exert all reasonable effort to advise COMMERCE, at the time of delivery of Materials furnished under this Contract, of all known or potential invasions of privacy contained therein and of any portion of such document which was not produced in the performance of this Contract. The Grantee shall provide COMMERCE with prompt written notice of each notice or claim of infringement received by the Grantee with respect to any Materials delivered under this Contract. COMMERCE shall have the right to modify or remove any restrictive markings placed upon the Materials by the Grantee.

14. DISALLOWED COSTS

The Grantee is responsible for any audit exceptions or disallowed costs incurred by its own organization or that of its Subcontractors.

15. DISPUTES

Except as otherwise provided in this Contract, when a dispute arises between the parties and it cannot be resolved by direct negotiation, either party may request a dispute hearing with the Director of COMMERCE, who may designate a neutral person to decide the dispute.

The request for a dispute hearing must:

- be in writing;
- state the disputed issues;
- state the relative positions of the parties;
- state the Grantee's name, address, and Contract number; and
- be mailed to the Director and the other party's (respondent's) Contract Representative within three (3) working days after the parties agree that they cannot resolve the dispute.

The respondent shall send a written answer to the requestor's statement to both the Director or the Director's designee and the requestor within five (5) working days.

The Director or designee shall review the written statements and reply in writing to both parties within ten (10) working days. The Director or designee may extend this period if necessary by notifying the parties.

The decision shall not be admissible in any succeeding judicial or quasi-judicial proceeding.

The parties agree that this dispute process shall precede any action in a judicial or quasi-judicial tribunal.

Nothing in this Contract shall be construed to limit the parties' choice of a mutually acceptable alternate dispute resolution (ADR) method in addition to the dispute hearing procedure outlined above.

16. DUPLICATE PAYMENT

Grantee certifies that work to be performed under this contract does not duplicate any work to be charged against any other contract, subcontract, or other source.

17. GOVERNING LAW AND VENUE

This Contract shall be construed and interpreted in accordance with the laws of the state of Washington, and the venue of any action brought hereunder shall be in the Superior Court for Thurston County.

18. INDEMNIFICATION

To the fullest extent permitted by law, the Grantee shall indemnify, defend, and hold harmless the state of Washington, COMMERCE, agencies of the state and all officials, agents and employees of the state, from and against all claims for injuries or death arising out of or resulting from the performance of the contract. "Claim" as used in this contract, means any financial loss, claim, suit, action, damage, or expense, including but not limited to attorney's fees, attributable for bodily injury, sickness, disease, or death, or injury to or the destruction of tangible property including loss of use resulting therefrom.

The Grantee's obligation to indemnify, defend, and hold harmless includes any claim by Grantee's agents, employees, representatives, or any subcontractor or its employees.

The Grantee's obligation shall not include such claims that may be caused by the sole negligence of the State and its agencies, officials, agents, and employees. If the claims or damages are caused by or result from the concurrent negligence of (a) the State, its agents or employees and (b) the Grantee, its subcontractors, agents, or employees, this indemnity provision shall be valid and enforceable only to the extent of the negligence of the Grantee or its subcontractors, agents, or employees.

The Grantee waives its immunity under Title 51 RCW to the extent it is required to indemnify, defend and hold harmless the state and its agencies, officers, agents or employees.

19. INDEPENDENT CAPACITY OF THE GRANTEE

The parties intend that an independent Grantee relationship will be created by this Contract. The Grantee and its employees or agents performing under this Contract are not employees or agents of the state of Washington or COMMERCE. The Grantee will not hold itself out as or claim to be an officer or employee of COMMERCE or of the state of Washington by reason hereof, nor will the Grantee make any claim of right, privilege or benefit which would accrue to such officer or employee under law. Conduct and control of the work will be solely with the Grantee.

20. INDUSTRIAL INSURANCE COVERAGE

The Grantee shall comply with all applicable provisions of Title 51 RCW. If the Grantee fails to provide industrial insurance coverage or fails to pay premiums or penalties on behalf of its employees as may be required by law, COMMERCE may collect from the Grantee the full amount payable to the Industrial Insurance Accident Fund. COMMERCE may deduct the amount owed by the Grantee to the accident fund from the amount payable to the Grantee by COMMERCE under this Contract, and transmit the deducted amount to the Department of Labor and Industries, (L&I) Division of Insurance Services. Attachment C: Commitment of Continued Affordability

Bayside is also in the application process for LIHTC 9% tax credit that will have monitoring components for affordability. LIHTC will have additional monitoring procedures to ensure that the housing provided remains affordable for 25 yrs.

For the purposes of this contract, the utility project must serve new affordable housing projects that serve and benefit low-income households for at least 25 years.

"Affordable housing" has the same meaning as in RCW 43.185A.010, and means residential housing for rental occupancy which, as long as the same is occupied by low-income households, requires payment of monthly housing costs, including utilities other than telephone, of no more than thirty percent of the family's income. In the context of homeownership, the definition from the [Housing Trust Fund Handbook](#) applies (Section 701.7):

"affordability occurs when a household's monthly housing costs are generally no more than 38 percent of monthly household income and total debt is no more than 45 percent of monthly household income. Housing costs include mortgage principal, interest, property taxes, homeowner insurance, homeowner association fees, and land lease fees, as applicable. Total debt includes other debt and utilities."

¹ "Low-income household" has the same definition as in RCW 43.185.010(6), and means a single person, family or unrelated persons living together whose adjusted income is less than eighty percent of the median family income, adjusted for household size, for the county where the project is located.

Project Redmond PSH
