Installation cut through for two poles, at which time both to be replaced to fully restore the road. The full road closure in necessary to protect the concrete slabs and drivers during curing. The sidewalk and driveway apron were also cut to install constraints side sewer but do not require a road closure to restore.

Restoration of Cleveland Street will allow for the side sewer replacement contractor to complete the project.

COMMUNITY/STAKEHOLDER OUTREACH AND INVOLVEMENT:	Operations Manager
--	--------------------

ANTICIPATED RESULT IF NOT APPROVED:

Temporary road closure (previously planned) on Cleveland Street.

Road closure cannot occur until three days after council approval. If approved, staff will engage impacted residents and businesses the next day. The road closure will impede access to Downtown Park so coordination

ATTACHMENTS: Parks Department to minimize impact to planned activities/festivals will occur.

N/A • Outreach Methods and Results:

City staff will go door to door along this small portion of Cleveland Street to notify businesses and residents. We will work with property managers to communicate the closure to residents in the immediate area. In addition, we will notify the rest of Redmond by posting to the City's Facebook page and Twitter, as well as placing information on the city's website.
