

Dog Park Updates

Pop-Up & Permanent Amenities

Overview

Since 2023, Redmond's pop-up dog parks have provided dedicated, accessible spaces for dogs and their owners to exercise and socialize. These temporary parks have helped the City evaluate different locations and community needs while planning for a permanent off-leash dog area.

During the budget process, a permanent dog park was identified as a City priority and approved as part of the 2025-2026 budget. The permanent amenity will be installed at Luke McRedmond Park late Summer/ early Fall 2026.
