Teen Involvement

- RYPAC President invited to speak at event and participate in promotional materials
- Staff sharing regular updates with drop-in teens about event and ways to participate
- RYPAC-led arts activation
- Collection of stories, photos, memories, and videos

Communications

- Currently collecting community-submitted stories, photos, and videos
 - *Redmond Historical Society will also have space at the event with additional ways for community members to collect/archive OFH memories*
- Neighborhood canvassing of residential/commercial neighbors to notify of event impacts
- News release
- City and Parks enews and social media
- Signage and banners in public spaces, including at OFH site
- Direct updates to RYPAC, PTRC, and RACC Commissions
- Professional Photography during event
- Videographer contracted to produce a post-event 5-minute documentary highlighting the building and its impact, including celebration footage
