TITLE:

Redmond 2050 - Housing, Transportation, and Overlake Regulations Study Session

OVERVIEW STATEMENT:

On January 17, 2023, staff shared draft regulatory updates related to housing, transportation, and Overlake that implement draft Comprehensive Plan policy updates. The purpose of the January 24 study session is to seek feedback from Council on the questions: "Are we on the right track?" and, "Are there necessary course corrections?" Staff will use Council input to inform the final drafts for these regulations.

Based on Councilmember input and acknowledging time constraints, staff has prepared to focus on the following topics:

- Affordable housing
 - Draft code for impact fee exemptions (see Attachment C)
 - Draft code for residential typologies (see Attachment C)
 - Verbal update on other housing-related proposals underway: Middle Housing, inclusionary/MFTE regulations, and cost of parking
 - Results from inclusionary zoning and MFTE programs (see Attachment F)
- Overlake incentive program
 - Overview of zoned capacity and planned growth in Overlake (see Attachment E)
 - Community feedback on draft incentive program (see Attachment B)
 - Draft code for incentive program (see Attachment C)
 - Council's highest priorities, or "must haves"

Staff has also included information about the Planning Commission’s work program in 2023 for context (*see Attachment F*). Councilmembers have an open invitation to schedule meetings with Director Helland to review any proposal in more detail.

Additional Background Information/Description of Proposal Attached

REQUESTED ACTION:

Receive Information **Provide Direction** **Approve**

REQUEST RATIONALE:

- **Relevant Plans/Policies:**
Redmond Comprehensive Plan, Redmond Transportation Master Plan, implementing functional and strategic plans, and Redmond Zoning Code.
- **Required:**
The Growth Management Act requires that Washington cities and counties periodically review and, if needed, revise their comprehensive plans and development regulations every ten years. For King County cities the periodic review must be completed by December 31, 2024.
- **Council Request:**
The City Council requested quarterly reports on project milestones, staff progress, and public involvement.
- **Other Key Facts:**
None.

OUTCOMES:

Obtaining input on draft regulations will ensure that final drafts meet Council expectations and implement Redmond 2050 policy direction.

COMMUNITY/STAKEHOLDER OUTREACH AND INVOLVEMENT:

- **Timeline (previous or planned):**
Outreach on draft regulations began in summer 2022 as part of the Redmond Zoning Code Rewrite Phase 2 and has continued through to-date.
- **Outreach Methods and Results:**
Methods and results for draft regulations:
 - Website
 - Online and in-person open houses
 - City Board and Commission meetings
 - Redmond 2050 Technical Advisory Committee meetings
 - Stakeholder meetings, phone calls, and emails
- **Feedback Summary:**
Attachment B is the Q4 2022 engagement summary (revised 1/18/23). Summaries of past engagement activities can be found online at [Redmond.gov/1495/Engagement-Summaries](http://www.redmond.gov/1495/Engagement-Summaries) <<http://www.redmond.gov/1495/Engagement-Summaries>>. A summary of comments follows.

Overlake

- The Overlake incentive program should have a variety of options from which developers can choose.
- The Overlake incentive program options should be prioritized.
- The City should ensure that updates to the Overlake incentive program take into account financial feasibility.
- Regulations should promote access to light rail and bus transit beyond the 10-minute walkshed of the light rail stations.
- Any upzones in Overlake should be based on the need for additional capacity.

Transportation

- Request to consider alternative off-street bicycle parking arrangements.
- Support for reducing parking minimums.
- Request for entirely market-based off-street parking regulations.
- Concern about parking permit data privacy.
- Concern about possible changes to on-street permit parking.

Staff has received little feedback on the draft housing-related amendments. In part this is because the scope of these amendments is limited while work is ongoing with consultant assistance to evaluate the City’s inclusionary zoning and multifamily tax exemption (MFTE) programs and barriers to middle housing. Recommendations from that work will be available in Q3 2023, and will incorporate outcomes from the 2023 State Legislative Session.
