| 9/2/2025  | CFD 2014-01 Board of Supervisors considers resolution to terminate                                                                                                                                                                                                                                                                                                                                                                                                                                        | CFD Board of Supervisors | 8/27/2025 | Resolution: <ul style="list-style-type: none"> <li>(a) confirming that all improvements have been completed</li> <li>(b) confirming that all invoices have been paid</li> <li>(c) confirming that all assessments have been paid and expended or that the balance will be repaid to Microsoft under the Commitment to Fund</li> <li>(d) requesting that the City Council dissolve the CFD</li> </ul>                         |
| 9/3/2025  | If approved on 9/2/2025, CFD 2014-01 Board of Supervisors emails passed CFD 2014-01 resolution to terminate to the Redmond City Council                                                                                                                                                                                                                                                                                                                                                                   | Kelley Cochran           |           | Kelley Cochran emailed Council on 9/3/2025 providing official notification that the CFD 2014-01 Board of Supervisors voted to approve a resolution to terminate the CFD, and that Council can expect an ordinance on the 9/16/2025 business meeting consent agenda to ratify and affirm the termination. The signed CFD resolution was not available when the email was sent to Council, so the resolution was not attached. |
| 9/16/2025 | Public Hearing                                                                                                                                                                                                                                                                                                                                                                                                                                                                                            | N/A                      | N/A       | Not required                                                                                                                                                                                                                                                                                                                                                                                                                 |
| 9/16/2025 | Redmond City Council Considers Ordinance Ratifying and Affirming Termination of CFD 2014-01 and Amending the Municipal Code to Remove this CFD from Code.                                                                                                                                                                                                                                                                                                                                                 | Redmond City Council     | 9/10/2025 | Ordinance includes findings that the CFD is no longer needed, served its purpose, and has chosen itself to terminate <ul style="list-style-type: none"> <li>• An ordinance will be considered by Council, rather an a resolution, because CFD 2014-01 will need to be removed from the Redmond Municipal Code.</li> </ul>                                                                                                    |
