Dear City of Redmond Property Owner:

The City of Redmond has received an application to develop land that is within 500' of your property. Since the proposal is close to your property and the proposal might affect you, your property, or your neighborhood, the City is sending you this letter and the enclosed materials for you to review. With this letter, you will find the following:

1. A vicinity map showing the proposal's location.
2. A public notice describing the proposal, and the methods and deadlines for you to provide comments to City staff.
3. A preliminary site layout illustrating the proposal's design.
4. A process flow chart illustrating where, when, and how you can submit comments.
5. A preliminary tree preservation plan (only if tree removal is proposed).

The City invites you to comment on this proposal. You may submit your written comments to the City (see the enclosed public notice for contact information). Comments may be mailed, e-mailed, or faxed. If you wish to be informed of future actions or would like to become a party of record on this proposal you must provide your name and mailing address to the project planner.

You should feel free to share this with neighbors. Some neighbors may not have received this packet. People not receiving notices are often those neighbors who recently purchased their property or whose property is over 500' from the proposal. Although not officially notified, these neighbors may provide comments also. To receive future notices, they may also request to be a "party of record". To become a party of record an interested person should call, write, or e-mail the contact person, and request to be a party of record.

The City of Redmond looks forward to receiving your comments or answering your questions. Finally, on behalf of the City, I thank you for your interest and participation in your community, the City of Redmond.

Sincerely,

Erika Vandenbrande
Director of Planning and Community Development
