TITLE:

East Redmond Corridor Implementation Plan Final Update

OVERVIEW STATEMENT:

In 2009 the East Redmond Corridor Master Plan was adopted by Redmond City Council but has been difficult to tackle without a clearer roadmap of priorities and timing. The Parks, Trails, and Recreation Commission decided to make the implementation of the East Redmond Corridor Master Plan a priority and in July 2024 HBB Landscape Architecture was hired to develop an implementation plan. City Council will receive an update on the East Redmond Corridor Implementation Plan, completed in collaboration with HBB Landscape Architecture, the Parks, Trails and Recreation Commission, and city staff.
