PUGET SOUND EMERGENCY RADIO NETWORK OPERATOR INTERLOCAL COOPERATION AGREEMENT

This Puget Sound Emergency Radio Network Operator Interlocal Cooperation Agreement ("Agreement") is entered into pursuant to chapter 39.34 RCW (the "Interlocal Cooperation Act") by and among King County and the cities of Auburn, Bellevue, Federal Way, Issaquah, Kent, Kirkland, Mercer Island, Redmond, Renton, Seattle, and Tukwila, each a political subdivision or municipal corporation of the State of Washington (individually, a "Party" and collectively, the "Parties").

RECITALS

A. The Parties, under various interlocal agreements, have been responsible for the ownership, operation and maintenance of various elements in the current King County Emergency Radio Communications System (KCERCS), a voice radio system that is nearly twenty years old and is increasingly unsupported by the supplier of the system's equipment, software and related repairs.

B. The Parties determined that it is in the public interest that a new public safety radio system be implemented that will provide public safety agencies and other user groups in the region with improved coverage and capacity, as well as uniformly high-quality emergency radio communications. Said new system is referred to herein as the "Puget Sound Emergency Radio Network System" or "PSERN System."

C. The costs of implementing the PSERN System are financed through a funding measure approved by voters at the April 2015 election.

D. The Parties executed a separate agreement ("Implementation Period ILA") that designates King County to act as the lead agency for planning, procurement, financing and implementation of the PSERN System with the oversight of a Joint Board established pursuant to the Implementation Period ILA.

E. The Implementation Period ILA contemplates that the Parties will create a new separate governmental agency under RCW 39.34.030(3)(b) that is organized as a non-profit corporation under Chapter 24.06 RCW as authorized by the Interlocal Cooperation Act to assume the ownership and control of the PSERN System following Full System Acceptance and be responsible for the ownership, operations, maintenance, management and on-going upgrading/replacing of the PSERN System during its useful life.

F. The purpose of this Agreement is to create the new governmental agency to be known as the "PSERN Operator" and establish the terms for governance of the PSERN Operator and the terms under which the PSERN Operator will undertake the ownership, operations, maintenance, management and on-going upgrading/replacing of the PSERN System. NOW, THEREFORE, in consideration of the mutual promises, benefits and covenants contained herein and other valuable consideration, the sufficiency of which is hereby acknowledged, the Parties agree to the above Recitals and the following:

2.0 DURATION OF AGREEMENT

This Agreement shall be effective on the date it is last signed by an authorized representative of each the Parties and is filed and/or posted as provided in Section 15.2 ("Effective Date"). This Agreement shall remain in effect until terminated as provided in Section 12.0.

3.0 PURPOSE OF THE AGREEMENT; FINANCING; SERVICES

The purpose of this Agreement is to provide communication Services throughout the Operations Period to User Agencies and any other agencies permitted to be licensed in the 800 MHz Public Safety Radio Spectrum pursuant to 47 C.F.R. Part 90 that are within the boundaries of the Consolidated Service Area. To effectuate this purpose, the Parties hereby create a governmental administrative agency called the "Puget Sound Emergency Radio Network Operator". The Parties each assign to the PSERN Operator the responsibility of owning, operating, maintaining, managing and ongoing upgrading/replacing of the PSERN System during the Operations Period as permitted by the Interlocal Cooperation Act. The PSERN Operator shall be formed pursuant to RCW 39.34.030(3)(b) and shall be organized as a nonprofit corporation under chapter 24.06 RCW.

The Parties hereto acknowledge and agree that each is executing this Agreement in order to facilitate the creation of the PSERN Operator as a separate governmental administrative agency pursuant to the Interlocal Cooperation Act and not a "joint board" within the meaning of RCW 39.34.030(4)(a). All debts, obligations and liabilities incurred by the PSERN Operator shall be satisfied exclusively from the assets and properties of the PSERN Operator and no creditor or other person shall have any right of action against the Parties hereto, the User Agencies or any other public or private entity or agency on account of any debts, obligations, or liabilities of the PSERN Operator unless explicitly agreed to in writing by the Party hereto, the User Agency, or such entity or agency.

The expenses of the PSERN Operator shall be financed through a funding measure approved by voters at the April 2015 election and with user fees (Service Rates) to be assessed against and paid by all User Agencies. It is the intent of the Parties that Service Rates be computed as provided in Exhibit A and be set to cover all operating expenses of the PSERN Operator, unless otherwise directed by the Board of Directors.

This Agreement shall not obligate the Parties to incur debt on behalf of the PSERN Operator. Each Party's financial obligations to PSERN shall be limited to payment of Service Rates unless otherwise agreed upon in writing.

The PSERN Operator shall have the responsibility and authority for providing communication Services as provided in this Agreement, including but not limited to owning, operating, maintaining, managing and ongoing upgrading/replacing of the PSERN System during the Operations Period and all related incidental radio communications functions.

4.0 BOARD OF DIRECTORS

4.1 Creation of Board of Directors

The PSERN Operator shall be governed by a Board of Directors that is hereby created pursuant to the Interlocal Cooperation Act and chapter 24.06 RCW that shall act in the best interests of PSERN and in furtherance of the purpose of this Agreement. The Board's composition, powers, responsibilities, quorum and meeting requirements shall be included in the PSERN Operator's articles of incorporation or bylaws.

4.2 Composition of the Board of Directors

4.2.1 The Board of Directors shall be composed of the four following voting members:

4.2.1.1 the King County executive, or a designee of the executive approved by the King County council;

4.2.1.2 the City of Seattle mayor, or his/her designee;

4.2.1.3 one mayor or city manager or his/her designee representing the Cities of Bellevue, Issaquah, Kirkland, Mercer Island and Redmond (the "EPSCA Cities"); and

4.2.1.4 one mayor or city manager or his/her designee representing the Cities of Auburn, Federal Way, Kent, Renton and Tukwila (the "Valley Com Cities").

4.2.2 The Board of Directors shall also include two nonvoting members to comment and participate in discussions but who are not entitled to vote on any matter. One nonvoting member shall be appointed by the King County Police Chiefs Association and one member selected jointly by the King County Fire Commissioners Association and the King County Fire Chiefs Association.

4.2.3 An authorized representative of King County, the City of Seattle, the Valley Com Cities and the EPSCA Cities shall provide written notice of its initial Board of Directors member and alternate member to the Chair of the Joint Board established under the Implementation Period ILA. Thereafter, notice of a change to a Party's Board of Directors member or alternate shall be effective upon delivery of written notice to the Chair of the Board of Directors. The notice shall include the name and contact information for the new member or alternate.

4.2.4 An authorized representative of King County, the City of Seattle, the Valley Com Cities and the EPSCA Cities shall promptly replace any vacancy in its Board of Directors member or alternate and may, at any time, replace its Board of Directors member or alternate by giving notice as provided in Section 4.2.3. If the County or the City of Seattle fails to fill a vacancy for its Board of Directors member and alternate, its chief executive officer or his/her designee shall attend all meetings until one of the vacancies is filled. If one of the groups of cities listed in Sections 4.2.1.3 or 4.2.1.4 fails to fill a vacancy for its Board of Directors member and alternate, then the chief executive officer or his/her designee of one of the cities in that group shall attend all meetings until one of the vacancies is filled.

4.2.5 The officers of the PSERN Operator shall consist of a Chair, Vice Chair, a Secretary, a Treasurer and such other officers and assistant officers as may be deemed necessary and set forth in the bylaws. Any two or more offices may be held by the same person, except the offices of Chair and Secretary. The officers shall be elected from among the voting members of the Board. The Chair shall preside at the meetings of the Board of Directors. The Vice Chair shall serve in the absence of the Chair.

4.3 Quorum and Meeting Procedures

4.3.1 A quorum for a meeting of the Board of Directors shall be all four of the Board members who have voting authority. Action by the Board of Directors shall require the affirmative vote of all four voting Board members, except as provided otherwise in this Agreement.

4.3.2 Any Board of Directors member who has voting authority may request that a vote on a measure be deferred until the next meeting. The measure shall then be deferred for one meeting unless the other three voting members find either that there is an emergency requiring that the vote be taken at the originally scheduled meeting or that a delay would likely result in harm to the public, User Agencies or the PSERN Operator. A vote on the same measure shall not be deferred a second time without the concurrence of the majority of the Board of Directors' voting members.

4.3.3 The Board of Directors shall establish bylaws and procedures for its operations and meetings including setting a regular meeting schedule and location, providing for the scheduling of special and emergency meetings, and providing for attendance by telephone or other electronic voice communication.

4.3.4 The regular meeting schedule shall be established by the Board of Directors, with a minimum of two meetings being held each calendar year. Special or emergency meetings may be called by the Chair or by at least two voting members of the Board.

4.3.5 The first meeting of the Board of Directors will be held as soon as practicable and necessary to begin operations of the PSERN Operator. The members described in Section 4.2.3 shall attend the meeting and shall elect a Chair and Vice Chair to serve a term that will begin upon election and extend through the remainder of that calendar year and the calendar year immediately following. Thereafter, the Board of Directors shall elect a Chair and Vice Chair at the final meeting of each year to allow each to serve a two-year term that will begin on January 1 of the following year.

4.3.6 The Board of Directors shall hold an annual meeting to coincide with the first regular meeting each year. During the annual meeting, the Executive Director shall report on the state of the PSERN Operator.

4.3.7 The Board of Directors shall take actions by vote and each voting Board member shall be entitled to one vote. All votes shall have equal weight in the decision-making process. Any voting Board member may call for a vote on an issue. Meetings shall be conducted according to the most recent edition of Robert's Revised Rules of Order unless otherwise directed by the Board of Directors.

4.3.8 Board members must be present at a meeting to vote and may not vote by proxy, provided that, if provided for in the bylaws, a member may participate in

Board meetings and may vote on Board issues via telephone or other electronic voice communication.

4.3.9 The Board of Directors shall comply with applicable requirements of the Washington State Open Public Meetings Act, Chapter 42.30 RCW.

4.3.10 An alternate attending Board of Directors meetings on behalf of a regular member of the Board shall be considered to be a member for purposes of that meeting and entitled to exercise all rights of the member to participate in such meetings, including participating in discussion, making motions, and voting on matters coming before the Board.

4.3.11 Notwithstanding any other provision in this Agreement, the Board of Directors may take action by three affirmative votes when each of the following conditions is met: (1) a matter has been identified for action in the notice or proposed agenda for at least two meetings in a row, and (2) both meetings were regularly scheduled meetings or properly notified and scheduled special meetings in accordance with the bylaws and RCW 42.30, and (3) the same voting member failed to attend both meetings and failed to send an alternate. 4.5.4 The mediator shall promptly investigate the impasse and the respective positions of the voting Directors. The mediator may recommend one or more non-binding alternatives for resolving the impasse. Regardless of the outcome of the

mediation, the cost of the mediator's fees and expenses shall be divided into four equal parts to be paid by (1) the County, (2) the City, (3) the EPSCA Cities and the (4) Valley Com Cities. The EPSCA Cities and Valley Com Cities shall each be responsible for apportioning their one quarter share of the costs among their members and for informing the PSERN Operator of the apportionment. 11.0 WITHDRAWAL AND REMOVAL

11.1 Withdrawal of a Party

11.1.1 A Party may withdraw from this Agreement effective on the last day of a calendar year by giving written notice to the Board at least two years prior to the proposed effective date for withdrawal.

11.1.2 Any Party that has given notice of its intent to withdraw must meet with the Executive Director or his or her designee to develop a departure plan that is intended to ensure an orderly separation of the Party from the PSERN Operator in a manner that is consistent with this Agreement. The departure plan may include the transfer of funds and equipment or other assets and such plan must be approved by unanimous vote of the Board of Directors.

11.1.3 Costs of Withdrawal

11.1.3.1 A Party that withdraws shall remain responsible for any obligations that arose prior to the effective date of the withdrawal and for any that are specified under Section 15.17 as surviving a withdrawal.

11.1.3.2 As a condition of withdrawal, the withdrawing Party must pay any direct costs resulting from the withdrawal. The Board of Directors may also set a different withdrawal date as it deems appropriate; however, the withdrawal date shall not be later than one year after the withdrawing Party's proposed withdrawal date.

11.1.3.3 Any costs or other amounts owed by a withdrawing Party under this Agreement or any other agreement between the withdrawing Party and the PSERN Operator shall be paid prior to the effective date of the withdrawal or, if such amounts are not then known or established, then within thirty (30) days after the amount is known or established. However, the withdrawing Party shall not be responsible for amounts not known or established within one hundred (100) days of the date of withdrawal.

11.1.4 A member of the Board of Directors representing a Party that has given notice of withdrawal which is effective at a future date, shall be authorized to cast votes with the Board of Directors only on budgets and other items to be implemented prior to the withdrawal date unless permission to vote on a matter is granted by all remaining Board members.

11.1.5 A Party that has given its notice of withdrawal may revoke its notice of withdrawal by delivering a written notice of such revocation to the Board of Directors. The Board, in its sole discretion, may by unanimous vote of the remaining members of the Board, determine to accept or deny the revocation and under what conditions any acceptance shall be permitted.

11.1.6 If a Party withdraws from this Agreement, the withdrawing Party will forfeit any and all rights it may have to PSERN System real, personal, or intellectual property and any rights to participate in the PSERN Operator, unless otherwise provided by the Board of Directors.

11.2 Removal of a Board Member.

The Board of Directors may, by majority vote and for cause, remove a Board member from the Board of Directors and terminate the Board member's right to participate in governance of the PSERN Operator. Immediately after the vote removing a Board

member, the Party's alternate shall become its Board of Directors member. If the Party has not designated an alternate, the vacancy provisions in Section 4.2.4 shall apply. Cause for removal may include failure to act in good faith in participating in the Board of Directors and willful, arbitrary failure to perform the Board member's obligations as set forth in this Agreement.

12.0 DISSOLUTION AND TERMINATION

12.1 Three (3) or more Directors may, at any one time, call for a vote on the complete dissolution of the PSERN Operator and termination of this Agreement. Upon both: (a) the affirmative vote of a majority of the full Board for dissolution and termination; and (b) the affirmative vote of a majority of the Parties' legislative bodies for dissolution and termination, the Board shall establish a task force to determine how the PSERN System assets and liabilities will be divided upon such dissolution and termination. For purposes of this section, each Party shall determine what constitutes an affirmative vote of its legislative body.

12.2 Approval of the plan for disposition of the PSERN System assets and liabilities (the "Disposition Plan") shall require a unanimous affirmative vote of the full Board. If the Board fails to approve the Disposition Plan within one (1) year of the last legislative body vote under Section 12.1.b, the Parties shall proceed with the impasse resolution procedures in Section 4.5.

12.3 Following the approval of the Disposition Plan, the PSERN Operator shall wind up business in accordance with the Disposition Plan and any other terms set by the Board. The Board shall set the date for termination of this Agreement by affirmative majority vote of the full Board.

No Party will be required to indemnify, defend, or save harmless any other Party if the claim, suit, or action for injuries, death, or damages is caused by the sole negligence of that other Party. Where such claims, suits, or actions result from concurrent negligence of two or more Parties, these indemnity provisions shall be valid and enforceable only to the extent of each Party's own negligence. Each of the Parties agrees that its obligations under this Section extend to any claim, demand, and/or cause of action brought by, or on behalf of, any of its employees or agents. For this purpose, each of the Parties, by mutual negotiation, hereby waives, with respect to each of the other Parties only, any immunity that would otherwise be available against such claims under the Industrial Insurance provisions of Title 51 RCW. Any loss or liability resulting from the negligent acts, errors, or omissions of the Board of Directors, Operating Board, Executive Director and/or staff, while acting within the scope of their authority under this Agreement, shall be borne by the PSERN Operator exclusively.

Waiver of any default of this Agreement shall not be deemed a waiver of any subsequent default. Waiver of breach of any provision of this Agreement shall not be deemed to be a waiver of any other or subsequent breach. Waiver of such default and waiver of such breach shall not be construed to be a modification of the terms of this Agreement unless stated to be such through written approval of all Parties.

Pursuant to RCW 39.34.030(5), this Agreement shall not relieve any Party of any obligation or responsibility imposed upon it by law except that, to the extent of actual and timely performance thereof by the Board of Directors, the performance may be offered in satisfaction of the obligation or responsibility.

Any such modification shall be in writing and executed by the Chair of the Board of Directors after providing not less than thirty (30) days' advance written notice to all Parties of such proposed modification, and upon unanimous approval of the Board of Directors. However, the following terms of this Agreement may only be amended in writing after approval of each of the legislative bodies of Seattle, King County, EPSCA, and Valley Com; however, for purposes of this legislative determination, EPSCA and Valley Com will each be responsible to determine what constitutes legislative approval or disapproval from their member cities, before tendering their single vote on amendment:

Exhibit A

Cost Allocation Model

For the first year of PSERN System operation, rates to be paid by each User Agency and Dispatch Center will be computed as provided in this Exhibit A. The PSERN System annual operating budget and the number of public safety radios, other radios, and consoles will be known quantities at the time the rates are computed.

Division of Budget Between Radios and Consoles

Percentage of annual budget to be paid with radio user fees = X.

Percentage of annual budget to be paid with console user fees = Y.

$X = \frac{[83\% \text{ of employee-related costs in the PSERN System annual operating budget} + \text{annual vendor costs for radio-related equipment}]}{\text{PSERN System annual operating budget}} \times 100.$

$Y = \frac{[17\% \text{ of employee-related costs in the PSERN System annual operating budget} + \text{annual vendor costs for console-related equipment}]}{\text{PSERN System annual operating budget}} \times 100.$

Public Safety and Other Radio Rates

X% of the PSERN System annual operating budget will be paid with public safety radio rates and other radio rates combined.

The other radio rate shall be 78% of the public safety radio rate.

$X\% \text{ of PSERN System annual operating budget} = [12 \times \text{the monthly public safety radio rate} \times \text{the number of public safety radios}] + [12 \times \text{the monthly other radio rate} \times \text{the number of other radios}].$

Console Rates

Y% of the PSERN System annual operating budget will be paid with console rates.

$Y\% \text{ of PSERN System annual operating budget} = 12 \times \text{the monthly console rate} \times \text{the number of consoles}.$
