- Design contracts for the 152nd Avenue Main Street
- 2018-2023 Transportation Improvement Program (identifies all three projects)

Sound Transit

Sound Transit has approved a financial contribution to Redmond's 152nd Avenue Main Street project to fulfill the East Link Record of Decision obligation to implement a southbound right turn lane at the intersection of 152nd Avenue and 24th Street. This

contribution to Redmond is an effective method to advance the improvement as it is already included in the scope of Redmond's 152nd Avenue Main Street project.
