Issue

Designation of essential vs. non-essential employees

Decision

Essential personnel were designated by Department Directors. HR is clarifying definition of essential vs. non-essential.

Issue

Abandoned vehicles

- Current policy is to utilize private towing to impound at owner's expense

Decision

City Attorney approved the practice of towing vehicles to City parking lot during incident

Issue

Use of paid leave

Decision

- Current policy changed to match pay policy during City closures
- Directors given discretion to determine pay status for essential employees unable to report

Issue

Pay for full day

- City closing at 1300 hrs

Decision

Employees paid for full day

Issue

Use of purchasing card (ProCard) for food and emergency housing for employees

Decision

Policies on purchase of food outside of a meeting environment and for emergency housing of employees suspended until after incident
