I realize this is not the city's transportation report, but I didn't know if they'd be issuing an update before the project moves forward. Here are a couple of things I noticed that seem to be out of phase with facts on the ground:

- Page 8: Nonmotorized Transportation Facilities: No mention of bike facilities through Marymoor Park; seems incomplete not to mention it.
- Page 8: Transit Service: Redmond LOOP reference should be removed since it was discontinued in 2018.

Thanks!

David

Page 4: Typo at end of Project Description: "on" instead of "of".

I read it 4 or 5 times and it just didn't seem to read right.
