

COMMITTEE OF THE WHOLE

# **Fire Department Master Plan RFP Update**

City Council  
December 10, 2019

# PURPOSE

## Update on Fire Department Master Plan RFP

### History

- Initial need for feasibility study for Fire Stations 11 and 12
- Need to be addressed in a comprehensive Fire Department Master Plan
- Last plan published in 1992 and expired 2012
- Charter created and approved to hire a consultant to create plan

# PURPOSE

## Fire Department Master Plan RFP

The purpose of this Master Plan:

- Provide an operational and organizational analysis of the Fire Department
- Assist the Fire Department to develop a long-range (2020-2040) planning document that supports the City of Redmond's mission and vision, as well as the Comprehensive Plan
- Address capital investments, equipment, and staffing as well as major operational components necessary to meet core service delivery needs into 2040

## Fire Department Master Plan RFP

- RFP out to bid
- Four respondents interviewed November 22
  - Center for Public Safety Management, LLC
  - Emergency Services Consulting International
  - Matrix Consulting Group
  - Public Consulting Group

# NEXT STEPS

## Fire Department Master Plan RFP

- Chief Smith to select finalist
- Contract to be negotiated and work to begin by early January 2020

THANK YOU
