ORDINANCE NO. 3003**

AN ORDINANCE OF THE CITY OF REDMOND, WASHINGTON, RESPONDING TO THE COVID-19 OUTBREAK; ADOPTING AN INTERIM LAND USE REGULATION TEMPORARILY AMENDING PROVISIONS OF REDMOND ZONING CODE CHAPTER 21.46 RELATING TO THE AUTHORIZATION OF TEMPORARY USES; ADOPTING FINDINGS; SETTING THE DATE FOR A PUBLIC HEARING ON THE INTERIM REGULATIONS; PROVIDING FOR SEVERABILITY AND ESTABLISHING AN IMMEDIATE EFFECTIVE DATE

WHEREAS, RZC 21.46 authorizes and regulates certain temporary uses; and

WHEREAS, temporary use provisions are intended to permit temporary uses that are safe and compatible with the general vicinity and adjacent uses; and

WHEREAS, the temporary use provisions prohibit the extension of the permit term beyond six months; and

WHEREAS, the COVID-19 outbreak has led Governor Inslee, King County Executive Constantine, President Trump, and Mayor Birney to declare a state of emergency and to prescribe restrictive measures on personal interaction in order to slow the spread of the virus; and

WHEREAS, the restrictions imposed by Governor Inslee's "Stay Home Stay Healthy" Proclamation 20-25 have had a devastating impact on small businesses and the regional economy; and

WHEREAS, the Stay Home Stay Healthy order ended on May 31st and moved to Safe Start - Washington's Phased Reopening which provides for a careful approach to emerging from the pandemic by allowing more businesses and activities to re-open in phases with adequate social distancing measures and health standards in place to minimize the health impacts of COVID-19; and

WHEREAS, Phased Reopening began in King County on June 5, 2020, after the Washington State Department of Health accepted King County's plan to allow for limited openings of recreational, social and business activities in a modified Phase 1 of the Governor Jay Inslee's Safe Start plan; and

WHEREAS, under Washington state guidance, restaurants, personal service providers and retail operations are now allowed to begin on-site service with reduced occupancy limits: for outdoor dining activities at 50 percent outdoor capacity with all tables and chairs maintaining 6 feet of distance; for indoor dining services at 25 percent of the tables provided such tables and chairs are more than 6 feet away from each other; for retail activities at no time may an establishment's occupancy be higher than 15 percent and indoor services are limited to 30 minutes; and

for personal service activities at no time may an establishment's occupancy be higher than 25 percent and indoor services are limited to 30 minutes; and

WHEREAS, if small businesses cannot reopen with enough outdoor space to offset the occupancy lost to limits on the use of indoor spaces, some businesses may not be able to reopen or may be forced to close permanently; and

WHEREAS, Planning and Community Development staff have conducted outreach and determined that use of private parking lot, sidewalk and right-of-way space has been identified as a primary need for businesses to reopen consistent with phased reopening requirements; and

WHEREAS, there are mounting concerns that any delays in making the outdoor spaces available will be a barrier to businesses reopening and staying solvent; and

WHEREAS, a clear permitting path and reduced fee for Temporary Use Permits has been identified as necessary to support Redmond's struggling small businesses; and

WHEREAS, RCW 36.70A.390 and RCW 35A.63.220 authorize the City to adopt interim regulations as long as a public hearing on the interim regulations is held within sixty days of adoption and as long as such regulations are effective for no more than six months unless further extended; and

WHEREAS, the Redmond City Council has considered the recommendations of the Mayor and the Planning and Community Development Director and has determined to enact interim regulations for the reasons set forth in Section 1 of this Ordinance.

NOW, THEREFORE, THE CITY COUNCIL OF THE CITY OF REDMOND, WASHINGTON, DO ORDAIN AS FOLLOWS:

Section 1. Findings. The recitals set forth above are hereby adopted as the Redmond City Council's findings justifying the actions taken in this ordinance. A. A short-term temporary use permit shall be required for any temporary use of no more than six months in duration. The six months need not run consecutively, except in the case of encampment temporary uses. The six months may occur at any time within a calendar year as long as each day of operation

is designated and approved. A day of operation shall mean any or part of any day in which the business is conducted. Applications for a short-term temporary use permit (six months or less) shall follow the procedures for a Type I review pursuant to RZC 21.76.050.F or as modified herein. Short-term temporary use permits shall not be renewed, and any temporary use that will extend beyond six months shall be conducted only after approval of a long-term temporary use permit, unless otherwise authorized by the specific provisions of this RZC Chapter 21.46 Temporary Uses.

1. Temporary uses that occur seasonally on an annual basis may be processed over the counter upon their subsequent year's renewal provided the first year's business was processed under a Type I review and the proposal is substantially the same as the previous year.

B. An encampment temporary use permit shall be valid for a five-year period based on the following criteria:

1. Once approved, the encampment may occur at the host site for a maximum of three visits within a five-year period if the site plan and conditions that were originally approved remain unchanged;
2. The encampment shall comply with the provisions outlined in this chapter;

3. All conditions of approval were fulfilled during the previous stay;
 4. A temporary encampment stay shall be limited to a maximum of 125 calendar days within any 365-calendar-day time period at one location; and

- C. A long-term temporary use permit shall be required for any temporary use longer than six months in duration. A long-term temporary use permit shall be valid for a maximum of two years from the date the permit is issued or the end of the permit activity, whichever comes first. Applications for a long-term temporary use permit (longer than six months) shall follow the procedures for a Type V review pursuant to RZC 21.76.050.J.
- D. A long-term temporary use permit may be renewed, provided that:

 6. A long-term temporary use permit may be renewed for one or more additional two-year renewal terms if the conditions of this subsection are met at the time of such renewal.
- E. Upon expiration of the initial term of a short- or long-term temporary use permit or upon the expiration of any renewal term of a long-term temporary use permit, either:
1. The temporary use shall immediately cease, and the property on which the use was located shall be restored as nearly as practicable to the state it was in prior to commencement of the temporary use; or
 2. If the applicant has applied for and received all permits necessary to make such temporary use permanent, the temporary use may continue until any necessary construction under such permits is completed and the use meets all
