Prep Work East Monument

\$1,920.00 plus tax

We will prepare the monument bed for planting by removing the (4) mugo pines and small stump. We will pick up, deliver, and install (2) yards of compost to amend the planting bed (\$420.00 plus tax). The compost will be tilled in, except for areas where tree roots make it impossible to till. We will pick up, deliver, and install (1/2) yard of cobble rock to create a dry stream bed from the sign to the sidewalk corner (\$380.00 plus tax). We will pick up, deliver, and install (3) 2- man boulders as accents to the dry stream bed (\$450.00 plus tax). All debris will be hauled away for disposal (\$70.00 plus tax).
