

**INTERLOCAL AGREEMENT BETWEEN
KING COUNTY PROSECUTING ATTORNEY'S OFFICE
AND THE CITY OF REDMOND FOR THE IMPLEMENTATION OF THE
GREATER PUGET SOUND FINANCIAL FRAUD AND IDENTITY THEFT CRIMES
TASK FORCE PROGRAM**

THIS AGREEMENT is made and entered into by the King County Prosecuting Attorney's Office (hereinafter the "KCPAO") and the City of Redmond (hereinafter "Redmond" or "the City").

WHEREAS, the Washington State Legislature passed Chapter 290, Laws of 2008 creating a financial fraud and identity theft crime investigation and prosecution program in the now Department of Commerce, and such law was amended and updated in 2015, which created two regional financial fraud and identity theft task forces, one for Spokane County and the Greater Puget Sound Financial Fraud and Identity Theft Task Force (hereinafter "GPS-FFIT") which includes Pierce, King, and Snohomish Counties.

WHEREAS, Chapter 290, Laws of 2008, was amended in 2015 to impose a surcharge on the filing of certain financial documents by financial institutions with the surcharge to be used to fund the GPS-FFIT in a separate dedicated fund and was amended again in 2020 to increase the amount of the surcharge and to authorize its collection through June 30, 2030.

WHEREAS, after the 2015 and 2020 amendments, the governing board of the GPS-FFIT includes representatives from law enforcement, prosecuting attorney's offices, federal investigatory agencies, financial institutions, the US Attorney's Office, and the Attorney General's Office from all three greater Puget Sound counties. This governing board determines the budget for GPS-FFIT and approves expenditures for the GPS-FFIT within the statute and Department of Commerce rules.

WHEREAS, the KCPAO, acting on behalf of the GPS-FFIT, entered into an Interagency Agreement with the Department of Commerce under which grant funds will be received from the Department of Commerce in order to fulfill the goals of the Task Force, and the KCPAO will act as the fiscal agent on behalf of all the agencies in King, Pierce, and Snohomish counties who are approved for funds by the GPS-FFIT governing board,

WHEREAS, the KCPAO and Redmond desire to enter into an interlocal agreement (hereinafter "MOU") to specify the obligations of the parties with respect to the grant funds as identified above,

NOW, THEREFORE, the KCPAO and Redmond agree as follows:

1. **Purpose:** The purpose of this MOU is to establish the terms and conditions under which KCPAO, as administrator of the grant funds received for the GPS-FFIT, will reimburse Redmond for the salary, benefits, equipment, travel, overtime, operating expenses and training paid by Redmond for the financial analyst working on financial fraud and identity theft matters, including expenses related to reimbursing cooperating witnesses, or procuring confidential informants.
2. **Term and Termination:** This MOU shall take effect upon signature by both parties and renew automatically on an annual term through June 30, 2030 or as extended by the Interagency Agreement. This MOU may be terminated by either party upon thirty (30) days

advance written notice to the other party, provided, that termination shall not affect the eligibility for reimbursement of any expenditure made by such party prior to the effective date of termination. Should Redmond wish to terminate, it must invoice any remaining applicable expenditures to KCPAO within ninety (90) days from the effective date of termination. The parties anticipate that the Interagency Agreement between King County and Department of Commerce will have funding available on an annual basis from the Department of Commerce through June 30, 2030. In the event of a termination, the governing board of the GPS-FFIT shall decide on the expenditure of the remaining unused balance for that agency.

3. **Reimbursement:** The reimbursement amount will be set annually by the GPS-FFIT governing board and that will be the cap for reimbursement to Redmond, unless amended by the GPS-FFIT board. The KCPAO will reimburse Redmond within thirty (30) days of receipt of funds from the Department of Commerce so long as the invoice is approved by all parties. Redmond will expend the funds received only for the purposes approved in the grant agreement between KCPAO and the Department of Commerce and to further the goals and objectives of the GPS-FFIT. All travel or training under this MOU will be consistent with purpose/mission of the grant, and expenses will be held to amounts shown on the GSA website for the region in which the training occurs.

Redmond shall invoice the KCPAO and provide necessary paperwork to support reimbursement. All invoices shall be sent to the following addresses and email:
