21.14.030 Business Park.

A. **Purpose.** The purpose of the Business Park (BP) zone is to provide business and manufacturing employment opportunities that complement commercial activities that are typically found in the Downtown, involve limited outdoor storage, and include a high level of amenities. The Business Park zone provides areas to locate research and development, software development, advanced technology industries, wholesale businesses, manufacturing businesses with largely indoor operations, offices associated with these uses, and uses that require large floor plates such as major medical facilities. Compatible uses that directly support surrounding business park uses, such as restaurants, fitness centers, and marijuana retail sales are allowed. Mixed-use development is also allowed. This zone is not intended for uses that primarily serve the general public.

Office and other secondary uses are limited to those that support these primary uses. Other uses such as day care centers, retail vehicle fuel sales, and technical colleges may be considered. Residential uses, except for secure community transition facilities, are not allowed. A broader range of commercial uses are allowed within the Manufacturing Park Overlay in SE Redmond as shown on Map 4.1, *City of Redmond Zoning Map*.
