Approved in current biennial budget: Yes No N/A

Budget Offer Number:

CIP

Budget Priority:

Infrastructure, Healthy and Sustainable, Vibrant and Connected

Other budget impacts or additional costs: Yes No N/A

If yes, explain:

The City has \$15M currently in the CIP and approved by Council for use in demolition, design and public outreach and part of the construction. Additional funding will be necessary for full construction of the new Senior and Community Center.

Funding source(s):

General Government CIP \$15M, requested direct appropriation from State Legislature \$5M, possible partnerships, and potential Councilmanic bonds. Models of community investment (i.e. individual purchases of solar panels) are also being discussed.

Budget/Funding Constraints:

In the 2020 CIP, there is currently \$15M set aside for renovation of the Senior Center. Council has provided direction to staff to use this \$15M for demolition and to begin design and public outreach. This will also fund part of the construction. The City will be seeking a state appropriation for this project, potential partnership funds and community investment, and will seek approval for Councilmanic bonds in order to fund the complete construction.

Time Constraints:

Delay in approval of this Owner's Representative agreement will result in delay of the design of the Senior and Community Center. The Owner's Representative's primary immediate goal is leading the selection of the General Contractor/Construction Manager (GC/CM) and preparation of the GC/CM contract. The GC/CM will offer critical input into the design of the project and securing their services in the 2nd quarter of 2021 is a critical path schedule item.

ANTICIPATED RESULT IF NOT APPROVED:

Design of the Senior and Community Center would be delayed, and the goal of a 2023 opening would be jeopardized.
