TITLE:

Proposed Fee Program for Extended Use of Right of Way

OVERVIEW STATEMENT:

The City has allowed the closure of public Right of Way (ROW) for the benefit of private businesses without charging a use fee nor the excise tax on the value of the use fee that has been paid to the State. Private use of ROW limits public access and enjoyment of sidewalks, landscape, bike lanes, parking, and travel lanes. To balance the needs of private businesses with the needs of the public, Public Works is proposing a use fee and the State-required excise tax beginning January 2025 for extended closures of the public right of way.

Proposed use fees are for outdoor dining and construction activities.

- Outdoor dining: Annual lease fee of \$2.00 per square foot of closed ROW
- Construction Activities: Monthly fee of \$0.75 per square foot of closed ROW

This will require adoption of a Fee Resolution and minor modification of the Redmond Municipal Code 12.08.
