TITLE:

East Link Transit Restructure

OVERVIEW STATEMENT:

Staff will brief Council on Sound Transit/Metro’s co-led process to reorganize bus transit leading up to the opening of Link Light Rail in 2023. The goal of the process is to set up light rail for success by engaging communities in decisions about mobility options, service improvements, and connections to high capacity transit.

- **Other Key Facts:**
Sound Transit 2 added regional express bus and commuter rail service including Link light rail service to Overlake Village and Redmond Technology Station (scheduled to open in 2023).

OUTCOMES:

Light rail will be the backbone of Redmond’s transit network when it opens in 2023 to Overlake and 2024 to Southeast Redmond and Downtown Redmond.
