**OUTCOMES:**

As reported at the October Finance, Administration and Communications Committee of the Whole, some financial highlights at the end of September include:

General Fund

- Revenue collections are over targets by approximately 10% or \$15.9 million.
- One-time sales tax on construction is the revenue driver. Sales tax has exceeded targets by 42.6% or \$20.7 million.
- Property taxes are on target for the year. Property taxes are collected twice per year. The City expects the next collection in November.
- Utility taxes are below budgeted projections, consistent with past months, due to the purchase of wholesale electricity by a large customer and the vacancy of commercial buildings because of COVID 19.
- Miscellaneous revenue is showing increased collections due to the sale of investments.
- Expenditures are below budget by approximately 11.2% or \$20.6 million due to the curtailment of non-critical expenditures and the hiring freeze

Other Funds

- The Recreation Activity Fund is showing losses as expected due to the lack of allowed recreational activity.
- The utility funds remain on target.
- Expenditures in the CIP remain low at 42%.
