OVERVIEW STATEMENT:

OUTCOMES:

Each month the Finance Department reviews the previous month's financial performance. Some highlights from the October Monthly Report, include:

General Fund

- Revenue collections are over targets by approximately 8% or \$13 million.
- One-time sales tax on construction continues to be the revenue driver. Sales tax has exceeded targets by approximately 42% or \$17.4 million.
- Property taxes are on target for the year. Property taxes are collected twice per year. The City expects the next collection in November.
- Utility taxes are below budgeted projections, consistent with past months, due to the purchase of wholesale electricity by a large customer and the vacancy of commercial buildings because of COVID 19.
- Miscellaneous revenue is showing increased collections due to the sale of investments.
- Expenditures are below budget by approximately 10.4% or \$20 million due to the curtailment of non-critical expenditures and the hiring freeze

Other Funds

- The Recreation Activity Fund has been drawn down to zero due to the lack of allowed recreational activity.
- The utility funds remain on target.
- Expenditures in the CIP remain low at 45%.

COVID Expenses

- As of October 25, 2020, direct COVID expenses totaled \$490,769 (see Attachment A). A total of 75% of these costs will be reimbursable by FEMA.
