REQUESTED ACTION:

Receive Information **Provide Direction** **Approve**

REQUEST RATIONALE:

- **Relevant Plans/Policies:**
The FSA Plan Document will need to be amended.
- **Required:**
The City of Redmond Personnel Manual, Section 1.40, requires Council approval of changes in the medical plan that increase benefits to employees.
- **Council Request:**
N/A
- **Other Key Facts:**
The third-party administrator (Navia) is requiring notification of our decision on what provisions we wish to implement by January 20, 2021.

OUTCOMES:

The President signed the Consolidated Appropriations Act (CAA) on December 27, 2020, which contains several FSA-related relief provisions for participants. The provisions are intended to help employees access unused FSA balances to health care and/or day care FSA from 2020 and 2021, and who were unable to utilize eligible services or care during the COVID outbreak. While the relief provisions listed on Attachment A are optional, Navia is recommending that employers adopt these provisions to provide maximum relief to FSA plan participants. Human Resources agrees with Navia’s recommendations.

COMMUNITY/STAKEHOLDER OUTREACH AND INVOLVEMENT:

- **Timeline (previous or planned):**
The Employee Benefits Advisory Committee (EBAC) was emailed on 1/6/2021 and feedback was requested.
- **Outreach Methods and Results:**
EBAC meetings are typically held on a monthly basis, but email was used as this timeline has been compressed due to the passing of the law (12/27/2020) and when decisions are required by Navia (1/20/2021).
- **Feedback Summary:**
Feedback from this outreach will occur through an online vote on recommendations. This vote is requested by January 13, 2021 and the resulting recommendations will be included on Attachment A.
