TITLE:

Human Services COVID Response - 2020 Year-End Summary

OVERVIEW STATEMENT:

Human services staff have been working through 2020 and continue to respond to community needs related to the COVID-19 pandemic. The work has been focused on:

- Identifying emerging needs,
- Supporting non-profit partners to ensure continuity of services,
- Allocating additional funding available through federal and state sources,
- Advocating for equitable distribution of resources with partner agencies,
- Coordinating our efforts with other funding jurisdictions to maximize effective and efficient distribution of limited resources,
- Working with local partner agencies and the RPD in homeless outreach efforts; and
- Sharing critical information and resources with the broad community and agencies.

REQUEST RATIONALE:

- **Relevant Plans/Policies:**
Long-Term Disaster Recovery Plan
- **Required:**
N/A
- **Council Request:**
N/A
- **Other Key Facts:**
Staff has adhered to these overarching principles to guide our work in this unprecedented event:
 - Ensure that we are supporting the most collaborative effort possible to prevent fragmented approach and response.
 - To the extent possible, activate necessary resources to ensure continuity of operations and provision of critical services.
 - Anticipate, plan for, and respond to other unexpected needs that arise during this time.

OUTCOMES:

Outcomes include:

- Regular collaboration with Eastside jurisdictional funders to assess needs, coordinate distribution of funds and advocacy,
- Strong partnerships with Police Department and local agencies and shelters to respond to upsurge in homeless needs and changing conditions; and
- Contract administration and compliance to disburse new federal resources, CARES Act Funding and Community Development Block Grant - COVID funding.

Human Services Situational Report for 2020 is provided in **Attachment A**

COMMUNITY/STAKEHOLDER OUTREACH AND INVOLVEMENT:

- **Timeline (previous or planned):**
March 2020 to present
- **Outreach Methods and Results:**
 1. Conducted a targeted provider survey to assess emerging needs and challenges due to COVID-19.
 2. Social media, email, web pages, Communications and Economic Development departments were used to disseminate critical information to the community in a timely manner.
- **Feedback Summary:**
 1. Feedback from the provider survey (nearly 100 respondents) was used to inform subsequent funding decisions for COVID response (e.g. nearly all providers indicated technology costs as a challenge).
 2. Local community-based partners reported receiving several grants from funding sources such as the Seattle Foundation and King County as a result of these communications. They also shared that they

disseminated information to their respective constituents and were particularly grateful for information in languages other than English.

BUDGET IMPACT:

Total Cost:
N/A

Approved in current biennial budget: ☐ Yes ☐ No ☒ N/A

Budget Offer Number:
N/A

Budget Priority:
N/A

Other budget impacts or additional costs: ☐ Yes ☐ No ☒ N/A

If yes, explain:

Nearly 800 hours in staff time spent on COVID-19 related activities through the end of 2020. Navigating federal requirements for timely disbursement of dollars was critical, leaving limited staff capacity for other work during that time.
