OVERVIEW STATEMENT:

The City of Redmond has entered into a partnership with the Washington State Department of Revenue for administration of the City's Business Licensing Program through the State Business Licensing Service (BLS), per Council approval in 2020. Revisions to the Redmond Municipal Code governing the business licensing program have been proposed to align the Code with the program and ensure accuracy, clarity, consistency and ease of interpretation for the business community. Time Constraints:

A city that imposes a general business license requirement must adopt the mandatory provisions required in State law by December 31, 2022, if partnering with the State of Washington. The City is currently working with the Department of Revenue on preparations necessary for the scheduled launch of all new general business applications and renewals being processed through the BLS effective March 18, 2021.

ANTICIPATED RESULT IF NOT APPROVED:

If the proposed Ordinance is not adopted by March 18, 2021 there will be confusion and unnecessary complexity for the business community, as well as for staff to implement and administer the program. Examples of items requiring modifications to ensure clarity and a seamless transition are conflicting and inconsistent terminology, clarity on what license types will be processed through the BLS versus remaining managed by the City, and the appropriate method to be used by businesses for reporting their employee's hours worked in Redmond.
