OUTCOMES:

Each month the Finance Department reviews the previous month's financial performance. Some highlights from the June Monthly Report include:

General Fund

- Total revenues are ahead of target by approximately 35%, or \$16.5 million.
- Sales tax exceeds target by approximately 77%, or \$9.1 million. One-time sales tax on construction continues to be the revenue driver at \$7.6 million for the year, with \$1.3 million received in June.
- Utility taxes are below target by approximately 1.9%, or \$113,000. This is an improvement over prior months due to a large payment received for unpaid electric utility taxes.
- Intergovernmental revenue is ahead of target by approximately 73%, or \$5.1 million, mostly due to the receipt of the 2021 American Rescue Act Plan allocation.
- License & permit revenues exceed target by 34%, or \$2.3 million.
- Total expenditures are below target by approximately 8.50%, or \$4.3 million.

Other Funds

- The Recreation Activity Fund has received \$1.0 million in field rental and program revenue through June.
- The Water/Wastewater Utility Fund experienced an increase in commercial billings from May.
- Total expenditures in the CIP are 20% of budget.
