TITLE:
Approval of the SCORE Interlocal Agreement Amendment No. 7 for Jail Services

OVERVIEW STATEMENT:
The City of Redmond is responsible for housing inmates detained on local misdemeanor charges. The City currently contracts with South Correctional Entity (SCORE), located in Des Moines, in addition to the King County Jail located in Seattle and at the King County Regional Justice Center in Kent to provide jail services. Most of the City's inmates are detained at SCORE and every year the City adopts an amendment to the SCORE ILA for a guaranteed number of beds at the established bed rate for the following year.
