Redmond Lights is traditionally an event that brings the community together around diverse winter traditions, experiences, lights and art. This year, due to COVID-19, physical gathering is not possible. The planned event this year will seek to accomplish the following outcomes:

- Downtown Park being illuminated with arts and light for the month of December to allow the community to enjoy the installations over an extended period and avoid any excessive crowding;
- Streets leading to Redmond Town Center will be lit (sponsored by Redmond Town Center) to be enjoyed by car or on foot;
- Increased collaboration and engagement with local businesses through the distribution of the Redmond Lights blinkers and window decorating contests;
- Community engagement opportunities such as house decorating contests, social media competitions, and a coloring contest for kids;
- Maintaining sponsorships with longtime businesses and partners with renewed opportunities for partnership and participation. Secured sponsors are currently Microsoft, Evergreen Healthcare, BECU, Redmond Town Center, Minute Man Press Redmond, and Experience Redmond.
