TITLE:
King County INET (Institutional Network) Contract Renewal

OVERVIEW STATEMENT:
The existing King County INET (Institutional Network) contract was approved in 2017 for 3 years and recently expired this past August. King County INET provides Internet and network access for approximately 300 public facilities within King County. These include local and county buildings, school districts, libraries, and fire district stations. We are proposing to renew the contract with King County INET to maintain the City's current level of services. These services include access to the Internet in the event our primary Internet service provider is down along with providing network connectivity to Washington State Patrol for Police, Medic 35 in Woodinville, and Microsoft Azure Cloud.

Proposed Upcoming Contact(s)

Date	Meeting	Requested Action
12/1/2020	Business Meeting	Approve

Time Constraints:
The King County INET contract expired in August 2020 and we need to renew to continue to maintain Internet and network services they provide.

ANTICIPATED RESULT IF NOT APPROVED:
Backup/Failover Internet services, access to Washington State Patrol network resources, City network extension to Medic 35 in Woodinville, and Microsoft Azure Cloud access services would need to be shutdown
