OVERVIEW STATEMENT:

The TIP is a state-mandated planning document, updated annually, listing all significant transportation projects anticipated to be built or to compete for grant funding within the next six years. Following a public hearing in September, the proposed TIP can be adopted by City Council.

The TIP was updated in 2020 to coordinate with the approved 2021-2026 CIP. This year, only minor updates are proposed to the 6-Year TIP.
