**Time Constraints:**

Employees under this contract are currently being paid at 2021 rates. Approval of contract will allow employees to be paid retroactively back to January 1, 2022.

**ANTICIPATED RESULT IF NOT APPROVED:**

Additional negotiations would be required, and the Union and the City would likely go to mediation/arbitration. The longer the delay, the more complex the retroactive adjustments to employees' pay due to various pay actions that would occur and need to factor into the retro pay. (For example: overtime, paid leave, etc.) This will lead to a longer wait time for pay increases and could lead to a greater chance of payroll errors, both of which always has a negative impact on morale for all employees involved.
