TITLE:
Approval of the King County Community Development Block Grant (CDBG) 2027 Funding Allocation Plan

OVERVIEW STATEMENT:
As part of the Interlocal agreement with King County, each year Redmond must develop a plan for allocating its Community Development Block Grant (CDBG) entitlement funds. This plan is for funds to be received, allocated, and spent in 2027.

REQUEST RATIONALE:

- **Relevant Plans/Policies:**
  King County Consortium Consolidated Housing and Community Development Plan
- **Required:**
  Community Development Block Grant Program Joint Interlocal Agreement
- **Council Request:**
  N/A
- **Other Key Facts:**
  Projects eligible to receive CDBG funds are limited due to various federal requirements. Funds may be used for public services (i.e., human services programs) and capital projects that demonstrate a direct benefit to Redmond residents that meet the low- to moderate-income requirements. The proportion of funds available for each type of activity is determined by the interlocal agreement between Joint Agreement Cities and King County. Funds may be used in three categories, Capital, Public Services, and Administration, as described below. Capital Funding Process and Recommendation: CDBG may support certain Public Improvement and/or Parks

projects, and there are a number of constraints related to the use of these funds. Support for affordable housing is an allowed use, and staff is recommending that the 2027 CDBG capital funds be allocated to A Regional Coalition for Housing (ARCH), as they have been for many years.

Public Service Funding Process and Recommendation: Programs that may be considered for public service funding are dedicated to human service activities that must also meet strict CDBG eligibility and reporting requirements. Staff reviewed applications that were received as part of the regular 2027-2028 Human Services allocation process. Only proposals for new or expanded services may be considered for CDBG funding, though continuing programs that have been supported using CDBG are eligible to continue receiving those funds. Based on these criteria, staff is recommending that Redmond allocate its 2027 CDBG Public Services funds to PorchLight to continue supporting the services and operation of an emergency shelter for men experiencing homelessness in East King County.

Planning & Administration Funding Recommendation: CDBG allows up to 20% of the grant for planning and administration purposes. Ten percent is retained by the County for administration of the consortium capital expenditures, housing stability program, housing repair program, and other activities required by the Department of Housing and Urban Development (HUD). The other 10% may be waived and applied to capital projects, however our experience has been that the amount of staff time spent administrative activities consistently exceeds the maximum allowed. The rest has been supported by City funds. Staff is recommending the full 10% be allocated to the planning and administration of this grant.

The full plan for which approval is needed is summarized in Attachment A.

OUTCOMES:

Approval of this funding plan keeps the City in compliance with County requirements governing the pending distribution of 2027 CDBG funds to the City. Allocation of these funds will help support emergency shelter for men experiencing homelessness, Redmond's contribution to ARCH capital funds, and staff time to plan for and administer these funds, ensuring compliance with all federal regulations.

7/21/2026	Committee of the Whole - Public Safety and Human Services	Provide Direction

Proposed Upcoming Contact(s)

Time Constraints:
The City's allocation plan must be submitted to King County by October 9, 2026, in order to be incorporated into their process for submission to the federal government. To meet this timeline, Council must approve a plan by its October 6, 2026, meeting at the latest.

ANTICIPATED RESULT IF NOT APPROVED:
Should Council decline to approve the funding allocation plan, the City would need to return the funds to the County for use by the entire CDBG Consortium, as there would be insufficient time for the required 15-day public notice, public comment period, internal committee review, presentation to the Public Safety and Human Services Committee of the Whole, and final approval by City Council.
